Dear Parent/Carer

**COVID-19 vaccination for children aged 12 to 15 years of age in vaccination centres.**

COVID-19 vaccinations for children aged 12 to 15 years of age are now being offered at Mansfield NHS COVID -19 vaccination centre (former Wickes site) and Forest Recreation Ground NHS COVID -19 Vaccination Centre, Nottingham.

This vaccination will be free of charge and our highest priority is making it easy for children to access one dose of the vaccine before the winter.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

**If your child has not received a dose of the COVID-19 vaccination you can book an appointment using the link below:**

<https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/>

Young people need to be accompanied by a parent / carer / guardian when they attend their appointment.

Regards

*School Aged Immunisation Team*
